

If you think you're going in circles

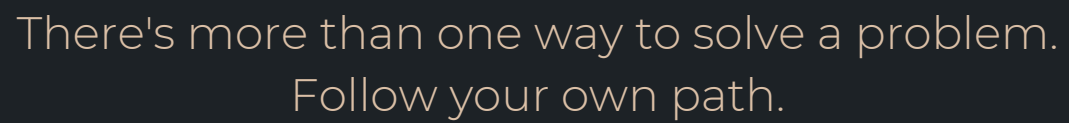

Just shift your perspective

$$(1.00)^{365} = 1$$

$$(1.01)^{365} = 37.7$$

Doing nothing vs. small consistent efforts

"I made it"

Deceptive success

"I'm progressing"

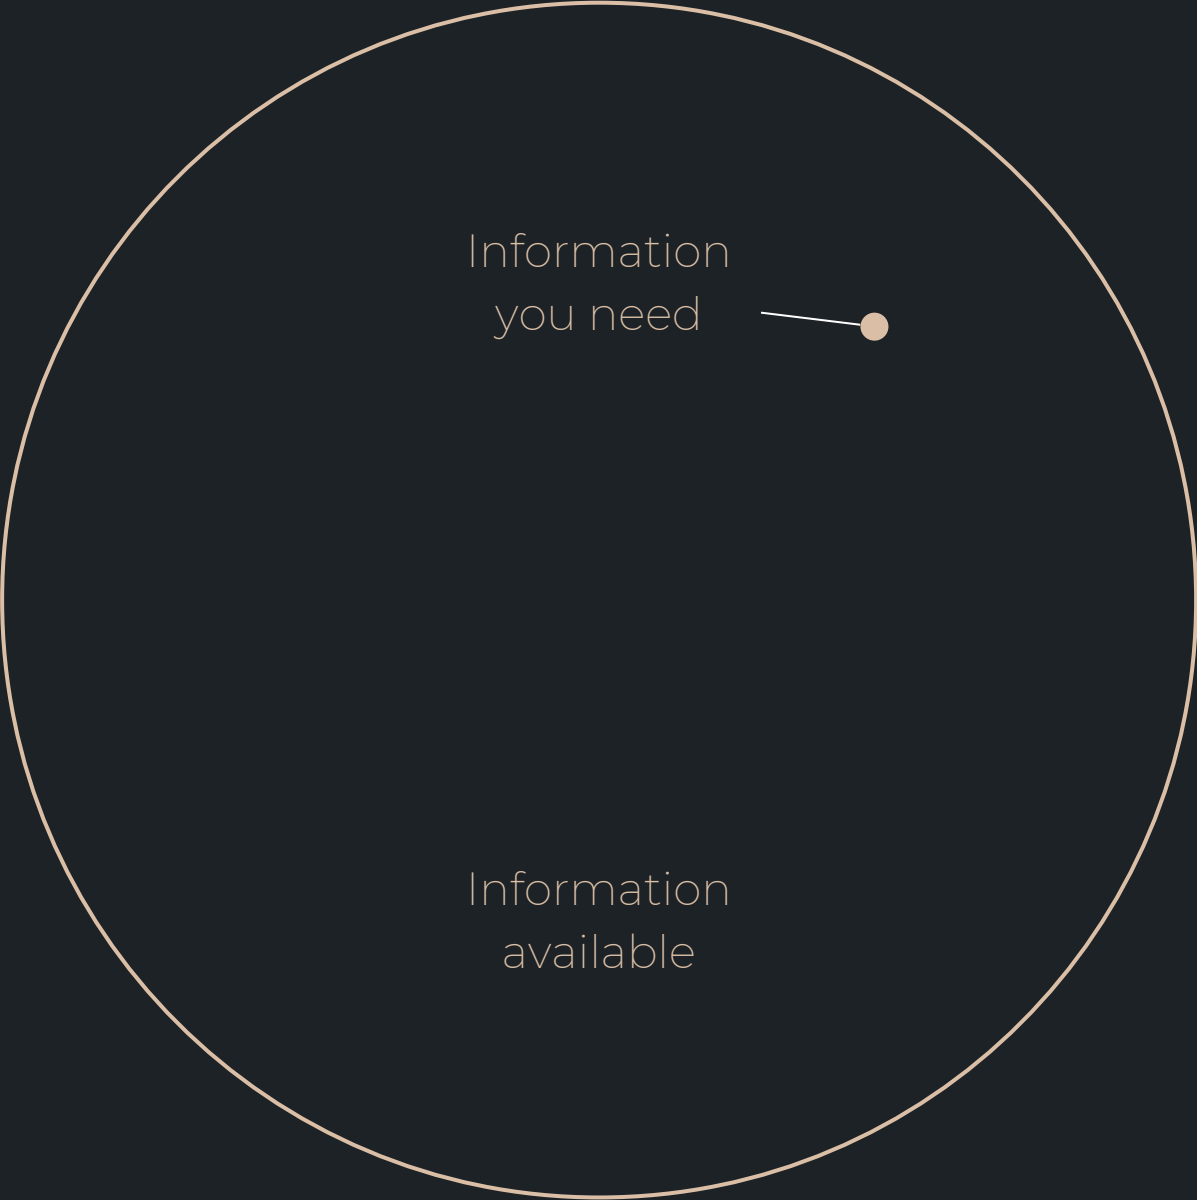

True success

Success is a journey, not a destination.

Everything you've ever wanted is  
on the other side of fear.

Live the life you want other people to live.

Naval Ravikant

“You are the average of the five people  
you spend the most time with.”

Jim Rohn

The only person you are destined to become  
is the person you decide to be.
