

Calculus

Dr. Arun Sehrawat

- Sets
- functions
 - Derivatives
 - Integration

video

Set of bit-values: $\mathbb{Z}_2$ = {0, 1}

Set of real numbers: $\mathbb{R}$

Set of complex numbers: $\mathbb{C}$

$$c = \theta_1 + i\theta_2$$

$i = \sqrt{-1}$

Euclidean (vector) space: $\mathbb{R}^n$

dim
 $n=3$
